RESPECT LIFE CORNER

The first Earth Day on April 22, 1970 activated 20 million Americans from all walks of life and is widely credited with launching the modern environmental movement. More than 1 billion people now participate in Earth Day activities each year. Pope Francis, in his great encyclical, Laudato Si, makes concern for the environment more pointed with three simple words, EVERYTHING IS CONNECTED. As he states, "We have to realize that a true ecological approach always becomes a social approach; it must integrate questions of justice in debates on the environment, so as to hear both the cry of the earth and the cry of the poor." ... "When all these relationships are neglected, when justice no longer dwells in the land, the Bible tells us that life itself is endangered."

Our Mission Statement

We, the Body of Christ: St. Anselm Parish in Bay Ridge, Brooklyn, rejoice in our parish's more than 80 years of service to God, our Church, our country, and our community.

As Christ is Priest, Prophet, and King, we celebrate the sacramental life of the Church, proclaim the Word of God, and serve the needs of our parishioners and neighbors always with faith, hope, and charity.

Walking with Christ, we accept the challenge to call all people to worship, to teach all nations His Truth, and to love one another as He has loved us.
