

EAGLE SCOUT PROJECT

HELP OUR TROOPS CALL HOME

**CELL PHONES
FOR SOLDIERS**

Donate gently-used cell phones here!

For more than 369,000 troops serving overseas, making a call home is costly and a rarity for many military professionals.

Cell Phones for Soldiers helps troops call home by providing FREE communication tools to each branch of the United States Military. Since 2004, Cell Phones for Soldiers has recycled more than 15 million cell phones and provided over 300 million minutes in talk time to our military.

Sponsor a heart-felt call today by donating a gently-used cell phone.

My name is Nicholas Podias, I am a Life Scout with St. Anselm Boy Scout Troop 13. I am working on my Eagle Scout project in collaboration with Military Mama Network™ and Cell Phones for Soldiers. Military Mama Network™ is a group of mothers with family in the military and their main mission is to support our troops, veterans and their families. I am collecting used cell phones and tablets to be recycled and exchanged for phone cards which will be given to Military Mama Network™ for distribution to deployed military personnel.

Please consider donating your old cell phones, tablets, and mp3 players/iPods to help our military personnel call home. Your donation will provide minutes that matter and a lifeline to our military.

Phones and tablets are accepted in any condition and when available please provide power cords. Please reset and remove sim cards from all devices before donation.

Volunteers will be available outside of St. Anselm Church to collect your donations on the following days and times:

Saturday June 8th between 10 AM and 1 PM

Saturday June 15th between 5 PM and 6 PM

Sunday June 16th between 10 AM and 1 PM

I can be contacted at nickpodias@gmail.com if you have any questions.
