We hope all of our wreath participants are healthy and safe. The year 2020 was like no other and while we cannot offer our regular Christmas Workshop event this year, we can still invite everyone to join in for an afternoon of Christmas fun!

This year we would like to encourage everyone to participate in their own socially distanced Christmas workshop in the comfort of their own homes with their family and friends.

For the same registration fee
\$20(if you have your own wire) or \$25 (if you need a wire spool with your order)
you will receive enough fresh balsam to create your choice of either a
wreath, centerpiece or small table tree.

Be sure to have an apron, gloves, scissors and wire cutters ready at home!

Our boutique will be open with limited items for purchase.

Reservations for bundles will be on a **first come, first served basis.**
